Zermatt Loft, Zermatt, Switzerland
NEW

A six metre floor to ceiling glass wall with breathtaking day to night views across the village and valley below greets you at Zermatt Loft. The setting's 300m² contemporary loft-style space is the perfect party set-up.

As well as six bedrooms, there's a Jacuzzi, private sauna and the added bonus of an illuminated, suspended glass table in the main living space that can be raised to ceiling height to create more room for your guests to dance the night away below.
