Duplex apartment Chalet Orgon is a very stylish and light duplex apartment furnished by Heinz Julen. It is located on the top two floors of a five storey airy wooden building with a glass greenhouse atrium and elevator.

It is located 5 minutes walk from the town centre and 5 minutes from the Matterhorn Express lift station.

Featuring warm Scandinavian wood throughout and top-notch specification; after the entrance hall you come into the main living space with a sitting area on the left and the open plan kitchen on the right. The sitting room features a big sofa, a wood burning fireplace, a B&O sound system and a multitude of windows streaming sunshine.

Next to the Heinz Julen dining table and behind the breakfast bar, is a professional spec kitchen with both induction and gas rings, a Teppanyaki griddle, and a large double door American style fridge with ice-maker.

There is also a WC and a utility room with washing machine and dryer on this floor.

A wooden staircase (with no bannister) leads to the top floor, which is where the three bedrooms are situated, together with two bathrooms and a separate toilet. The very generous and luminous master bedroom has a double bed, a large walk-in wardrobe, and a dressing table with a sink. The second bedroom has two big wooden framed twin beds (which can be pushed together at a pinch) and generous wardrobe space, while the third bedroom has separate twin beds on either side of the room.

All bedrooms have their own TV. There is a bathroom with a bath-tub, bidet and two sinks; the other bathroom has a big rainfall shower. The separate and uniquely styled WC is next to these two.
