Zermatt luxury catered and self-catered Chalet Ibron is one of our four unique, and for Zermatt very rare, residences. A luxurious three storey chalet with 4 double bedrooms.

Its location provides the best of both worlds: spectacular views and easy access. 200m from the Matterhorn Express base lift station and resort run there is a street level tunnel which leads you to a lift (elevator) built inside the mountain, from the top of which there is a gentle 2 minute walk to the property and an exterior stairway. An electro wagon and stair-lift will be used by staff to move your luggage

Side by side, tucked against a beautiful hillside, the numerous balconies and large terraces give you bird's eye views of the village and the surrounding mountains, encompassing all 3 of Zermatt's ski areas. Although it does not have a Matterhorn view, the sun baths the chalet as soon as it emerges. Guests can leave their skis and boots in the tunnel's ski-room.

It has the most luxurious master bedroom, with an open bath-tub, separate shower, separate W/C, and en-suite sauna, perfect to relax after a long day in the mountains. The second double bedroom is smaller and has no en-suite bathroom – it uses the bathroom on the first floor. Both these bedrooms have beautiful sloping wooden ceilings, and the master bedroom has a wide balcony with a glorious panorama.

On the ground floor you have the sitting room and an open-plan kitchen with the dining table, both giving on to the large terrace accessed through French windows.

The first floor has two double bedrooms, both with en-suite bathrooms. The larger bedroom is L-shaped with a sitting / dressing area like a junior suite. The other bathroom has an extra door leading to the landing, providing access for the bedroom upstairs which has no en-suite. Both these bedrooms have large south-east facing balconies.
