Zermatt luxury catered and self-catered Chalet Pollux is one of our four unique, and for Zermatt very rare, residences. A luxurious three storey chalet with 4 double bedrooms.

Its location provides the best of both worlds: spectacular views and easy access. 200m from the Matterhorn Express base lift station and resort run there is a street level tunnel which leads you to a lift (elevator) built inside the mountain, from the top of which there is a gentle 2 minute walk to the property and an exterior stairway. An electro wagon and stair-lift will be used by staff to move your luggage and shopping as required.

Side by side, tucked against a beautiful hillside, the numerous balconies and large terraces give you bird's eye views of the village and the surrounding mountains, encompassing all 3 of Zermatt's ski areas. Although it does not have a Matterhorn view, the sun bathes the chalet as soon as it emerges.

Guests can leave their skis and boots in the tunnel's ski-room. The entrance to the tunnel is 200 metres from the end of the ski runs beneath the Matterhorn Express lift station, just a 4 minute walk from the church square.

On the ground floor you have the sitting room and an open-plan kitchen with the dining table, both giving on to the terrace accessed through French windows.

There the chalet enjoys the use of its own unique private outdoor hot-tub surrounded by snow (depending on snow conditions), perfect to relax and enjoy the view (or the stars) after a long day in the mountains.

There is also a utility room with washing machine and dryer, and a guest W/C.
