Luxury Penthouse Zermatt Lodge is our flagship 5 star catered ski chalet and one of Zermatt's most luxurious serviced chalets.

Situated close to the main street and the Sunnegga Express lift station, The Lodge is an exceptional penthouse apartment, it takes up the whole top floor (320 sqm) of a chalet with an unmatched view over the roof tops dominated by the Matterhorn.

Every detail of The Lodge has been carefully thought through and meticulously finished, with wooden-beamed ceilings, aged wood floors and stylish yet cosy furniture giving a warm feeling of old-world charm with a witty modern finish. The kitchen is open-plan and professionally equipped.

The focal point of the spacious living rooms is a suspended wood-burning fireplace with its mushroom stools; adjoining it is a large dining area with a long table seating 12 comfortably, an intimate U-shaped seating nook, across from a large L-shaped leather sofa and TV area. These several distinct seating areas enable you to chill out in peace and/or party with your group, and everything gives onto a full-length south-facing balcony.

Each bedroom has its own LED flat screen cable TV, an en-suite bathroom with either a bath or a massage shower and a range of toiletries. The master bedroom has a separate shower room, and a bathtub by its own fire stove.

The drawing room includes a large LED television with DVD/CD/Radio (with an iPod interface); there is wireless broadband internet access throughout. You will find a selection of books, DVDs and board games.

For your wellness, The Lodge features a special outdoor jacuzzi hot-tub with a view of the famous mountain, and has
