

CHALET GEMINI

ZERMATT, SWITZERLAND

Zermatt luxury catered and self-catered Chalet Gemini is one of four unique and for Zermatt very rare residences, a luxurious free standing three storey chalet with 5 double bedrooms with ensuite bathrooms, a private sauna and outdoors jacuzzi.

This luxurious free standing ski chalet has 5 double bedrooms, large enough for families or groups of up to ten. Four bedrooms can be configured as twins, and all have en suite bathrooms and TV. There is also a private sauna and wellness area and an outdoor jacuzzi on the large private terrace. Tucked against a beautiful hillside, the numerous balconies and large terraces give you bird's eye views of the village and the surrounding mountains, encompassing all three of Zermatt's ski areas.

The tunnel and elevator bring you up high above the village providing a true sense of high mountain seclusion and tranquillity with breathtaking views. Although it does not have a direct Matterhorn view, the chalet is bathed in sun as soon as it emerges. Guests can leave their skis and boots in the tunnel's ski-room. The entrance to the tunnel is 200 metres from the end of the ski runs beneath the Matterhorn Express lift station, just a 4 minute walk from the church square. On the ground floor the chalet features an entrance hallway that opens onto a living room with a wood fire, satellite TV/DVD and music system, open plan dining area with separate kitchen. We have tastefully decorated the chalet, delicately combining an alpine, cosy and contemporary finish, with liberal use of wood and stone. It has all the latest technology with flat-screen TVs, more than 150 channels, a fireplace and geothermal heating to reduce the chalet's carbon foot-print as much as possible. The chalet has its own sauna and unique outdoor hot-tub surrounded by snow (depending on snow conditions) – perfect to relax and enjoy the view (or the stars...) after a long day in the mountains.
