

# CHALET NEVIS

## ZERMATT, SWITZERLAND

Zermatt luxury holiday Chalet Nevis is a very centrally located sunny apartment with three bedrooms and two bathrooms. Offered on a self catered basis, Nevis is on the second floor, faces south and has superb views over the village and the Matterhorn

It is situated in the heart of Zermatt, right by the Beau-Site hotel, a 7 minute walk from the Sunnegga Express lift and 3 minutes from the main shopping streets. It also has the rare advantage of being ski-in up to the end of February (depending on snow conditions).

There are three double bedrooms where the beds can be configured as double or twins. One bathroom has a bath and W/C, the other a shower and W/C. This spacious, light and bright apartment has an open plan kitchen with a central island flowing on to the dining area and the sitting room. Chalet Nevis has flat access with no steps at all: your electric taxi can drive right up to the front door and a lift will take you to the second floor.

There is also a short-cut to the village down a short and steepish pedestrian route. The chalet itself is very close to one of Zermatt's best bakeries, and is 3 minutes away from the main supermarket (Migros). There are many restaurants and cafés in the vicinity.

All in all, Zermatt luxury self catered ski chalet Nevis is a well appointed, warm apartment in a great location with great views.
