

# HEINZ JULEN LOFT

## ZERMATT, SWITZERLAND

Zermatt luxury catered or self-catered Chalet Heinz Julen Loft is without doubt the most spectacular property in Zermatt, if not the Alps. A huge 300 sqm Manhattan style loft set in a wooden chalet in the Swiss Alps;

Access is through a tunnel in the centre of Zermatt and an elevator for which you will have a personal key code. The elevator brings you high up to the terrace of the Omnia Hotel, from where it is a 2 minute walk to the chalet. The village end of the lift delivers you to the heart of Zermatt, in the main street close to the church. In the main living area there are 2 double bedrooms (with Austrian twin beds) both with en suite bathrooms. The master bedroom is 'hidden' on the top floor, which you access through a stairwell behind the breakfast table. It has a king size bed, an en suite bathroom and a private jacuzzi bath. Before entering the master bedroom you have your private sauna and in the landing a cross-country exercise machine..

The main loft living area has a suspended and illuminated table which can be raised and lowered from coffee table, to dining table, to ceiling height; the latter creating a large party space.

In one corner you can play on a baby grand Steinway piano, while in another you can sink into a large sofa and gaze simultaneously at the stunning view over the village and at the crackling fireplace set into the glass wall. Around you: two desks, jack-in-the-box armchairs, a wall of art, and a signature Heinz Julen chandelier. In fact, all the sought-after furniture in the Loft is designed by Heinz. Both levels of the Loft are served by a private lift (elevator).
