

WHYMPER RESIDENCE

ZERMATT, SWITZERLAND

Zermatt luxury ski chalet Whympers Residence is named after Edward Whympers, the first Alpinist to reach the summit of the Matterhorn. This top luxury chalet is an exclusive novelty in our portfolio. Perfectly situated in what is quite simply the best location in Zermatt: in the heart of the village, next to the ice skating rinks (tennis courts in the summer).

It features 4 bedrooms, 5 bathrooms and a TV room which can be closed off and turned into a fifth bedroom if needed. It can sleep 9 adults comfortably, and up to 12 adults and kids in total. It of course has perfect Matterhorn views! The main and generous living area is comprised of three zones: the sitting room with its fireplace, a dining area with an adjoining open plan kitchen, and a study / TV room which can be closed off and made into an extra bedroom. The master bedroom has a double bed, bay windows, a walk-in wardrobe with a desk, and an en-suite bathroom with bath-tub, WC and two sinks. Next to it are two twin bedrooms with big balconies. There is another bathroom with a bath-tub, two sinks, and WC. Down the passage you will find a utility room with a shower, and also a washing machine and dryer. Around the corner, leading off the hall, is the fourth bedroom, also with twin beds. (Please note that all our twins are of the zip and lock variety so that they can be made up as doubles. They also have integrated extra fold-out beds which means that they can sleep up to 4 persons – suitable for kids!). This bedroom has its own spacious en-suite bathroom with a shower, two sinks, and WC. There is a further guest bathroom with shower / WC in the passage leading to the study / TV room. This room can be closed off, and has a sofa-bed, which can thus be made into a fifth bedroom. The open-plan designer kitchen has every accessory you could possibly need, and a convivial breakfast bar.
